Tipping Policy:

Tipping is of course discretionary, but is an expected part of the way in which business is done in Tanzania. It counts as an expression of gratitude to those who – hopefully – have made your experience an unforgettable one, and enables you to directly reward those people. Our passengers come from all around the world, with different cultural attitudes to tipping, but a tip is of great significance here in Tanzania and will be hugely appreciated by the recipient. We know that the act of giving of a tip can be a bit awkward and we would suggest that the best way to remove this 'awkwardness' is for each group member to put their tip anonymously into an envelope and for the envelope to be presented by the group to the particular member.

As a guideline, you should consider tipping at the following levels:

- ✓ Safariguide: US\$10-US\$15 per guest, per day
- ✓ Local guides (for example, for a village tour) US\$5 per guest
- ✓ Chef/Cook's \$5-US\$10 per guest, per day

For hotels/lodges/tented camps, please do not tip individual staff members, but instead use the 'Tip Box' which you should find at the reception of your accommodation. For guidance, you should consider tipping between US \$2 - US\$ 5 per day, per guest, at each accommodation.

Note:

What we have indicated is just an overview of how you can do it. This shouldn't in any way limit you since tipping indicates how professional they were and had your best interests in mind. You can choose to go beyond that as per your ability and satisfaction.

Terms of payment:

A client supposes to deposit 40% of total price in order to prepare trip reservations and 60% during a safari after picked up. When you deposited please let me know by sending bank receipt.

Any cancellation trip terms and condition will apply. Make sure you sending us script of successively payment through our email: info@fabtechtours.com
