## About Destination- Saadani National Park

Saadani national park is a national park that is often overlooked. Its location is special because it is on the coast, its only national park where you can combine an adventure safari with a relaxing stay at a beautiful beach. It is allowing you to observe wildlife in a uniqueness environment. It is only national park where a bush meets with ocean in the east Africa, the only national wildlife sanctuary in east Africa to boast for an Indian Ocean beach front.

It as well possesses all attributes that make Tanzania tropical coastline and islands very popular with European sun worshipers. Yet it is also the one place where those idle hours of sunbathing might be interrupted by an elephants strolling past or lion coming to drink water at the nearby water hole.

## **Tipping Policy:**

Tipping is of course discretionary, but is an expected part of the way in which business is done in Tanzania. It counts as an expression of gratitude to those who – hopefully – have made your experience an unforgettable one, and enables you to directly reward those people. Our passengers come from all around the world, with different cultural attitudes to tipping, but a tip is of great significance here in Tanzania and will be hugely appreciated by the recipient. We know that the act of giving of a tip can be a bit awkward and we would suggest that the best way to remove this 'awkwardness' is for each group member to put their tip anonymously into an envelope and for the envelope to be presented by the group to the particular member.

As a guideline, you should consider tipping at the following levels:

- ✓ Safariguide: US\$10-US\$15 per guest, per day
- ✓ Local guides (for example, for a village tour) US\$5 per guest
- ✓ Chef/Cook's \$5-US\$10 per guest, per day

For hotels/lodges/tented camps, please do not tip individual staff members, but instead use the 'Tip Box' which you should find at the reception of your accommodation. For guidance, you should consider tipping between US \$2 - US\$ 5 per day, per guest, at each accommodation.

**Note:**

What we have indicated is just an overview of how you can do it. This shouldn't in any way limit you since tipping indicates how professional they were and had your best interests in mind. You can choose to go beyond that as per your ability and satisfaction.

**Terms of payment:**

A client supposes to deposit 40% of total price in order to prepare trip reservations and 60% during a safari after picked up. When you deposited please let me know by sending bank receipt
